

VICTORIA SYMPHONY

Side by Side

This season, VSO professionals will work with Victoria High Schools advanced **Orchestra** students who have auditioned to win a spot in the **Side by Side** program. Students will be coached and rehearse in section and full rehearsals with select VSO professionals to learn Alan Silva's *The Evil Eye and the Hideous Heart*.

Students will perform with the VSO at the Symphonic Spooktacular concert on October 22, 2015. This will be the first time local string students have performed with the Symphony!
