

## Symphony Savvy

Maestro Darryl One will initiate discussions with the Symphony Savvy audience in the Fine Arts Annex at 6:30 pm before each Master Series concert at the Fine Arts Center. All Master Series concert attendees are welcome!

### September 2018

**What makes great film music?** Film music is different than pops music or classical and it has a very different mission. Find out the difference and what it takes to be a success.

### October 2018

**What makes music sound “American”?** There are certain sounds and instruments that combine to create music that we identify as “American”. Find out what these devices are and what makes that “American” sound.

### January 2019

**What makes a great pops arrangement?** Some arrangements are really good and others, well, not so good. Find out what elements create a good arrangement.

### February 2019

**What makes a classical piece into a “greatest hit”?** There are classical works beloved throughout history and many that have been forgotten. Find out why and what the differences are.

### April 2019

**What makes a Van Cliburn competition winner?** Hard work, luck, or natural talent? What do you need to become a Van Cliburn winner? Find out from someone who’s been through it all.
