SEASON

51

2024-2025

Message from the Maestro

DARRYL ONE

After this very successful 50th anniversary season, we now embark on the next 50! In keeping with the popularity of our last few seasons, we will once again present singers from the popular Bravo Broadway franchise as well as the music of yet another iconic group, Queen!

In addition, we continue to present the great symphonic repertoire with two historic and important symphonies, two popular and romantic concertos, and a series of works by American composers showing the influence of jazz and distinctly national idioms. One of these concerts will even celebrate Victoria's 200th with a photo montage in collaboration with the historic society by Westwater Arts and backed by the VSO.

This coming season will bring a variety of R&B, rock, Americana, and as always, the great symphonic repertoire of history performed by your very own Victoria Symphony Orchestra!

VICTORIA
SYMPHONY

The mission of the Victoria Symphony Society is to enrich, entertain, educate, and inspire our community through symphonic concerts of the highest possible artistic quality within the framework of available resources.

Sergei Prokofiev's classic work for children—a symphonic fairy tale in which each character is represented by a different orchestral instrument—becomes a dazzling theatrical and musical event. In collaboration with Victoria Ballet Theatre, the concert follows Peter as he tries to capture a menacing wolf that threatens orchestra and audience alike. Students will be introduced to the instruments of the orchestra and the Peter and the Wolf characters' musical themes before they step into Peter's adventure.
